THE STATE OF NEW HAMPSHIRE

The Polls Will Be Open From 2:00 p.m. to 7:00 p.m.

To the Inhabitants of the Town of Richmond in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Veteran's Hall in said Richmond on Tuesday, the 13th day of March, next at 7:00 P.M. of the clock in the Evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to increase the present salary of the Tax Collector to Six Hundred dollars a year. (By Ballot Vote) (By Petition)
3. To see if the Town will vote to increase the present salary of the Town Clerk to Four Hundred dollars a year. (By Ballot Vote) (By Petition)
4. To see if the Town will vote to raise and appropriate a sum of money for Town Officers' Salaries, Expenses and Vital Statistics.
5. To see if the Town will vote to raise and appropriate a sum of money for the Principal and Interest on Long Term Notes and the Interest on Short Term Notes.
6. To see if the Town will vote to raise and appropriate a sum of money for the Maintenance of the Town Hall and Other Buildings.
7. To see if the Town will vote to raise and appropriate a sum of money for Insurance, Damages and Legal Expenses.
8. To see if the Town will vote to raise and appropriate a sum of money for Election and Registration.
9. To see if the Town will vote to raise and appropriate a sum of money for Solid Waste Disposal.
10. To see if the Town will vote to raise and appropriate a sum of money for Street Lighting.
11. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Fiscal Act of 1976 as set-offs against budget appropriations in the amount indicated, and further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced, or take any action thereon.

APPROPRIATIONS

ESTIMATED AMOUNTS

Fire Department, New Truck

\$13,500.00

12. To see if the Town will vote to raise and appropriate a sum of money to be placed in the Capital Reserve Fund for Fire Fighting Equipment, or take any action thereon.

AUDITORS' REPORT

Winchester, N.H. 03470

February 3, 1979

The Board of Selectmen
Town of Richmond
Richmond, N.H. 03470

Gentlemen:

Submitted herewith is our report of an audit and examination of the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1978. Financial statements and exhibits as hereafter listed are included as part of our report, however, only this letter of transmittal need to be printed in your Annual Town Report to the citizens of your Town.

A reminder: One copy of this audit report in its complete form must be given to the Town Clerk for retention with the Town's permanent records.

SCOPE OF AUDIT

Our examination and audit included the accounts of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustee of Trust funds. Accounts and records of the Public Library were not presented for audit.

FINANCIAL STATEMENTS

1. Comparative Balance sheets show an increase in the net surplus of the Town from \$22,139.21 in 1977 to \$28,608.48 in 1978.
2. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations in the amount of \$1,155.18.
3. The Statement of Estimated and Actual revenues shows a net revenue surplus in the amount of \$6,069.81.
4. The Budget Summary indicates a net Budget surplus for 1978 in the amount of \$7,224.99.
5. Summaries of other accounts include the Town Treasurer, Tax Collector, Town Clerk, Trustees of Trust funds, Revenue Sharing, and the special Fire Department equipment fund account.
6. The summary of Long term indebtedness shows a reduction in principal due from \$9,000.00 to \$6,000.00.

AUDIT PROCEDURES

The records and accounts of Town Officials charged with the custody, receipt and disbursement of public funds, as indicated in the

scope of audit, were examined and audited in accordance with generally accepted auditing standards and included such tests of the records and other information submitted, as were considered necessary to conduct our audit.

CERTIFICATION OF AUDIT

We hereby certify that we have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1978, and in our opinion the attached Balance sheet and other statements of sources of revenue and expenditures present fairly the financial condition of the Town of Richmond for the period under review.

RECOMMENDATIONS

Due to the fact that the amount of funds expended for the Police Department did not equal the amount of Revenue Sharing funds appropriated for that department, and after consultation with the Department of Revenue Administration in Concord, the amount of \$2,279.75 must be returned from the Town's general fund to the Special Revenue Sharing account, and can be re-appropriated by Town Meeting for whatever purpose the voters desire at the 1979 Annual Town Meeting.

THANKS

We extend our sincere thanks and appreciation to all of the Town officers for their continued wonderful assistance and cooperation during the course of our audit.

Very truly yours,
Arnold B. Conway,
Evelyn T. Conway,
Auditors
Town of Richmond, N.H.

SELECTMEN'S REPORT

Your Selectmen held fifty-two regular meetings and numerous extra work sessions in an attempt to keep abreast of the ever increasing work load.

The Selectmen put out for bid the well at the firehouse and sewer system at the Veteran's Hall. The sewer system was started and should be completed in the Spring. The well bid was accepted but due to circumstances beyond the control of the contractor, he was unable to start work this year, but will begin this Spring. The bids on moving the Selectmen's office are still being considered in an attempt to keep the cost to a minimum.

It was decided to hold over the TRA monies to 1979 to allow for enough money to complete the Fish Hatchery Road Project at one time. The Whipple Hill Road Project was also held over one more year as not enough money was available to do all that was planned. The new entrance to Monument Road was held up due to a delay in the deeds to transfer the land.

1800 tons of gravel has been purchased for use on town roads. It will be delivered in the Spring.

Your Selectmen plan a change to the State's new card system for property appraisal in 1979. It is a much easier and more equitable system. It is hoped this change can be completed this summer.

We would like to take this opportunity to remind any interested citizens that the various town committees are appointed shortly after Town Meeting and volunteers are welcomed.

Respectfully Submitted,
Dana A. Taylor,
Richard C. Bigda,
Leland B. Robbins,
Selectmen of Richmond

LIBRARIAN'S REPORT — 1978

Circulation Data

Fiction	1763
Non-Fiction	994
Juvenile	1408
Magazines	355
Puzzles	20
Patterns	5

TOTAL	4545

As you will note the circulation has made another increase this year. This was due to the summer reading program for children, more current books available from the Bookmobile collection and a few more people are using the library.

The most inspiring event of the year was the reading program for children sponsored by the Friends of the Library. It was entitled "My Books and I." Bookmarkers and charts were decorated with a charming bookworm designed by Jean Tandy. As books were read sections of the worm were colored in by the children. At the close of the program a party was given to the readers at which time certificates and a book were given to those who had read 12 or more books. Forty children signed up and 30 of these received certificates and books. About 475 books were read.

The Friends sponsored three film programs during the summer. Among them was an old Charlie Chaplin movie that brought back memories to several of the old "silents" and brought hearty laughs from everyone. Two other films were shown in November and December.

A new double book shelf was installed in the main room in memory of Virginia Oswald. It was donated by the Friends and made by Tony Dell. New book shelves have been installed in the addition by Stewart James and certainly add to the completeness of the room. Shelves were also added in back of the librarian's desk. These shelves hold the N.H. State Papers and town histories.

Our annual book sale was held on Richmond Day in July and another sale was held in the fall with the Friend's Baked Bean and Apple Pie sale. Our shed and another small room house books for sale at any time. Anyone is welcome to browse and buy.

The Girl Scouts are still meeting weekly at the library and other small groups occasionally. The Trustees meet on the second Saturday

and the Friends of the Library on the second Tuesday of each month. The Friends sponsor sales and special projects benefiting the library. I am sure that new faces would be most welcome at their meetings. Active support is as important as financial.

I have attended two District Advisory Council meetings and a children's book exhibit this year.

My many thanks go to all who have donated books, magazines, effort and money during 1978. Your continued support is much appreciated.

Respectfully submitted,
Edith W. Atkins,
Librarian

LIBRARY TRUSTEES ANNUAL REPORT

Fiscal Year Ended December 31, 1978

I wish at the outset to extend the thanks of the Board to the town for their support of the many library programs. Many archival gifts were accepted by us on behalf of the town, the most notable of which were the many old town records and documents turned over by the selectmen. Included also was a mysteriously well preserved steel vault door bearing the raised relief inscription "Town of Richmond — 1865."

A new trustee, Richard Boutwell, joined the board in March; and was elected secretary. This was followed by the resignation of Regina Suderman in May upon her removal to Peterborough. Stewart James was subsequently appointed by the selectmen until March, 1979.

The Trustees sponsored an "appreciation day" in May for the Friends. We hope this might become an annual affair to demonstrate our thanks for their many good deeds on behalf of the library. Late Spring also brought the completion of the reshingling of the roof. We are particularly indebted to the Richmond Troop of the Boy Scouts under the guidance of Rod Randall and Ferd Ahlberg. Much needed custodial work, with some of her time donated, was also done at this time by Sylvia Van Brocklin.

Fall meetings were used primarily for setting up new accounting procedures and working up a budget for 1979.

After many months of discussion and investigation into the matter, we have decided that our librarian should be payed a minimum wage. This is only fair since we require certification, updating of credentials, and a set number of hours that the library be open. To decrease the impact on the town budget, we are asking that this be done in three steps over three years, unless directed otherwise at town meeting.

Also this Fall we lost the services of our archivist, Priscilla Longden. As of this writing, a replacement has not been found. We are presently exploring the possibility of National Register Status for the library building, as it occupies the old School #6 site, going back in town history to 1815. The site and buildings have played a significant role in the education of Richmond citizens for the better part of two centuries and we hope will continue to perform this function for long into the future. The facility was used this year for over eighty small group meetings, a sizable increase over past years.

We have been trying hard to keep our operating budget down, especially heat and utilities. Due to conservation methods, we were able to beat the rate of inflation and will be asking for the same amount as last year, on this item. Through a special article on this year's warrant, we are asking the town to withdraw the remaining funds in the library addition account so that we may purchase and restock the rather expensive, four foot, fluorescent lights. We have been operating on a supply of used bulbs for two years.

In compliance with state law, RSA 202-A:12, we have set up a new accounting procedure and reporting method. The law requires that all figures reported in the State Report agree with those reported in the Town Report. This financial statement will be a part of each annual report from the trustees. All trustee meetings are open to the public with minutes and proceedings on file at the library.

Respectfully Submitted,
For the Board of Trustees,
Joseph G. Thibodeau,
Chairman

Auditor's Report

This is to certify that I have audited the Trustee Accounts of the Richmond Public Library for the fiscal year ended Dec. 31st, 1978 and found them to be in order.

18 Jan., 1979

s/John D. Quint

Report of the CIVIL DEFENSE DIRECTOR

As being the Civil Defense Director, I am pleased to report that there were no earthquakes, tidal waves, landslides, or nuclear explosions in Richmond last year.

A class about monitoring atmospheric radiation was conducted by the New Hampshire Civil Defense at the Town Hall at the request of some concerned citizens last summer. After the initial class, books were distributed, and I am now awaiting response for the follow up of the class.

Respectfully Submitted,
Charles Coy

Report of the FIRE CHIEF

I hereby submit my report to Selectmen and the citizens of Richmond for the year ending Dec. 31, 1978.

In the year 1978 we had only three small brush fires and very few chimney fires. One house fire which was not discovered until burnt flat.

We had money left in the budget, and bought one new Scott air pack and one extra tank.

We did not receive any money from the Rural Community fire protection grant this year.

Due to a delay in the delivery of the chassis for the new fire truck, delivery will not be before the middle of April.

At this time I would like to thank everyone who worked on trucks and equipment when needed. Especially want to thank Meadowood and surrounding towns of Swanzey, Winchester and Fitzwilliam for help through Mutual Aid.

Respectfully Submitted,
Robert VanBrocklin, Chief
Richmond Fire Dept.

By authority of the State of New Hampshire the forest fire warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit free of cost from the town forest fire warden. No permits will be issued for fires between the hours of 9 a.m. and 5 p.m., unless it is raining.

Robert VanBrocklin,
Forest Fire Warden

To Town of Richmond:

Everytime you read in the paper, or hear on the radio that Meadowood responded to a fire or an accident, you can think to yourself, "if it wasn't for people like us, they wouldn't be there," and it's a fact, you keep us in operation, and we know, without a doubt, that Meadowood would not exist without our supporting members.

All of us connected with Meadowood County Area Fire Department send our sincere thanks for your contribution.

We are pleased to include your name on our Supporting Membership List and to enclose your membership card.

Sincerely,
Charles J. Hanrahan,
Chairman, Executive Committee
Board of Directors

Report of the POLICE CHIEF

We are happy to say that we did not use much of the money that was appropriated this year, due to the fact that there were only three members on the police dept. There weren't many breaks this year, had a few accidents and abandoned cars that had to be towed away and one stolen car from Richmond.

There was a pickup truck from Dorchester, Mass. found in the woods off Fish Hatchery Road that had been stopped.

At this time I would like to say that we need a police chief and more help on the police force. Sorry, I will not be able to act as chief much longer. Two chiefs jobs are too much.

Kerwin Mattson was put on the police force last spring but due to work Kerwin thinks that he will not be able to stay on the force. He thinks he will be moving out of town.

Respectfully Submitted,
Police Dept.
Robert VanBrocklin,
Acting Chief
Richard Bidga
Kerwin Mattson

Report of the RICHMOND CONSERVATION COMMISSION

To the Selectmen:

The Richmond Conservation Commission hereby presents an account of its activities for year ending December 31, 1978:

1. The Commission has held regular meetings every month, some of them being work sessions. A copy of the minutes of each meeting is sent to the selectmen after being approved by the Commission.

2. There were no serious outbreaks of weed pollution at Cass Pond this year, so no work was done at the pond.

3. The Commission manned an informational booth at the Annual Richmond Town Fair and conducted a poll concerning Conservation of Natural Resources. The great majority of answers seemed to consider control of growth to be the most important town problem.

4. The Commission mowed and cleaned the Quaker Cemetery in late June previous to the Annual Fair.

5. The members of the Commission finished the allotted Timber Stand Improvement work in the Town Forest, and we are now ready to clear the road and try to improve it enough for Richmond citizens

to have access to the improved woodland areas to cut wood for their personal use.

6. The establishment of a Wetland District at town meeting last year was a real boost for Water and Soil Conservation, and it gives us a greater chance for the protection of our water resources.

Hopefully, we can get our firewood project going in 1979 and finish painting in our Town Forest lines.

We thank you all for your support in 1978, and we trust that we can do still more in your behalf in 1979.

The Financial Statements are as follows.

Richmond Conservation Commission Regular Fund

Balance in Cheshire National Bank January 1, 1978		\$857.91
Receipts:		
Interest & Donations	\$48.45

Report of the RICHMOND CEMETERY COMMITTEE

To the Board of Selectmen:

The regular maintenance of the Middle Town Cemetery, the South Cemetery, and the Earl R. Howard Memorial Cemetery has been carried out, and brush has been cut on the walls.

The road to the Benson Cememtery is impassable due to ruts and washouts. Since this is a town road from the Bowen Road to the Benson Cemetery, enough work should be done on it to make it possible for a truck to carry equipment to the cemetery to maintain it and to provide access for interested visitors.

Except for broken bottles and debris scattered around, it is heartening to report no vandalism in the cemeteries.

Our projects for 1979 include regular maintenance and brush cutting, obtaining and installing permanent flag standards for veterans' graves, and soliciting information from anyone having knowledge of any veteran whose grave has been overlooked. We also will have to buy and install new refuse barrels for the main cemeteries.

As these extra articles are necessary for the proper care of our cemeteries, we are asking for an appropriation of \$600.00 in 1979, an increase of \$100.00 for our 1978 request.

As there are so many new resident in town, we feel that a restatement of the regulations for the Earl R. Howard Memorial Cemetery which were adopted by the voters in 1970 should be printed for everyone's information.

1. Lots should be sold as follows:

	Residents	Non-Residents
Double Lot	\$50.00	\$100.00
Family Lot (3)	75.00	150.00
Family Lot (4)	100.00	200.00

The money received from the sale of lots shall be invested and the income is to be used for the perpetual care and maintenance of the Earl R. Howard Memorial Cemetery. Individual trust funds for additional care and maintenance may be accepted by the town for the cemetery or for a specific lot or lots.

2. Any monument stone placed on a lot is to be at the back of the lot with the monument facing the service road for that lot.

3. Headstones shall be level with the ground.

4. All caskets shall be enclosed in a vault of durable material.

5. Lots shall be level with no mounding of graves permitted.

6. Fences, statues, ornaments, trees, shrubs, perennial plants or artificial flowers are not permitted on any lot.

For further information, please contact any member of the Cemetery Committee.

Respectfully Submitted,
Jane Jillson, Chairman
Valma E. Davis, Secretary
Harry J. Bennett

BEACH COMMITTEE'S REPORT — 1978

The following projects were undertaken and completed this past year.

1. The beach house was reconditioned and a toilet built into it.

2. Sand was spread over the south end of the beach.

3. Ropes were strung in the water for the small children.

4. The picnic benches were stained.

5. We repainted the rubbish barrels and replaced the rusted ones.

6. A treacherous stump was removed from the parking lot.

7. The raft was reconditioned and new floatation added thanks to a couple of civic minded Boy Scouts.

8. Beach stickers were distributed to residents.

9. Cut down fallen trees blocking the road.

10. General clean up on a periodic basis and removed rubbish (not always left by beach users).

Projects in mind for 1979 include:

1. Replace beach house and toilet that was vandalized and tipped over.

2. Rebuild one of the fireplaces.

3. Purchase and spread sand on north end of beach.

4. Continue to maintain and repair raft.

5. Purchase and install a life preserver.

Thanks to the many citizens who helped keep the water clear of weeds and took an interest in keeping the beach area clean and some over-zealous youths under control.

Because the beach is such a difficult place to supervise, the committee would appreciate a call when something happens at the beach that requires immediate attention. It is discouraging when the beach facility is abused and vandalized. Only widespread citizen interest will make it a place to be enjoyed.

Respectfully Submitted,
John Hillock, Chairman
For the Beach Committee

PLANNING BOARD REPORT

The town this year showed its support for planning by accepting the editorial corrections and additions to the zoning ordinance.

During 1978 we passed the following subdivisions:

C. B. Davenport property on the Martin Cook Road.

Guy Packard property on Rt. 119.

Arthur Stinson property on the Bullock Road.

Elmer Thresher property on Rt. 32.

The Board has initiated into action the development of a Master Plan. This should take about six months to complete and would be compiled with the aid of the Southwestern Regional Planning Commission. The plan will be done in phases, each to be completed prior to starting the next. The plan should enable us to plot the town's growth as well as foresee any major developmental problems. Our needs for adequate schooling, fire protection, and town services would be forecast. We could possibly tell years in advance if more services will be necessary and plan for them.

I would like to take this opportunity to thank the other members of the Planning Board for their time and diligence.

Respectfully Submitted,

RECREATION COMMITTEE REPORT

The Recreation Committee held its first function in April by sponsoring an adult nostalgia dance with "TJ the DJ."

Camp Takodah camperships this year went to Patricia Pearsall, Chris White, Ernest May. The day camp and sleep-over at Camp Takodah was again a big success with 36 children attending. Thanks again to all the parents who helped with the driving for day camp and swimming lessons.

Another adult dance was held just before Richmond day and in the fall a Pot Luck Supper was held with entertainment by the Polyphonic Choir.

In August the children saw "Cinderella" at the KSC Summer Theatre.

The Halloween party was held as usual with a movie, judging of costumes and refreshments. The Christmas party on Dec. 17th was a great success due to the appearance of Santa and a puppet show by the Kings Puppeteers. The year ended with a New Year's party at the Vets Hall; music merriment and a midnight pot luck supper to ring in the new year.

WINCHESTER DISTRICT NURSING ASSOCIATION

During 1978 the visiting nurse made 97 visits to the town of Richmond, and three blood pressure clinics were held at the library in our town. Immunization clinics are held throughout the year in Winchester. Any Richmond parent wishing to take children may do so.

The visiting nurse is on duty from 8:30 a.m. to 4:30 p.m. Monday through Friday. The telephone number is 239-4352. All calls are answered but service is continued only under the direction of a physician.

The Nursing Association is financed by funds received from the towns, Medicare, Medicaid, Blue Cross-Blue Shield, and individual fees. A sliding scale is used for those who are not covered by insur-

ance. Nursing service is available to all whether they are able to pay or not.

If you know of someone who is ill or just out of the hospital contact the nursing agency.

HEALTH OFFICER'S REPORT

During 1978, there were no inspections conducted.

Plans are being made to run dye tests in the spring on septic systems surrounding Cass Pond.

Peter T. Whittemore,
Health Officer
